

# Course Report

2009/2010

Benha University

Faculty of Veterinary Medicine

Department of Forensic Medicine and Toxicology

## A- Basic Information:

1. Title: Forensic Medicine Code: Vet
2. Programme(s) on which this course is given: BVSc
3. Year / level of program: Fourth year (First semester)
4. Units / Credit hours (Teaching hours):

|          |       |                      |        |       |         |
|----------|-------|----------------------|--------|-------|---------|
| Lectures | 2h/ w | Tutorial / Practical | 3h / w | Total | 5 h / w |
|----------|-------|----------------------|--------|-------|---------|

5. Names of lecturers contributing to the delivery of the course:

Prof. Dr. Hatem hussien bakry

Prof. Dr. Ragab El-shwarby

Prof.Dr. Mohmed Abo-saleh

Prof.Dr.Nabila mahmoud Abed -Elaliem

Course Co-ordinator: Prof. Dr. Nabila mahmoud Abed El-aliem

External evaluator: Not applied yet

## B- Statistical Information

|                                       | Number | Percentage (%) |
|---------------------------------------|--------|----------------|
| No. of students attending the course  | 313    | 100%           |
| No. of students completing the course |        |                |
| <b>Results</b>                        |        |                |
| Failed                                | 8      | 2.5%           |
| Passed                                | 305    | 97.5%          |
| Excellent                             | 17     | 5.59%          |
| Very good                             | 139    | 44.4%          |
| Good                                  | 90     | 28.75%         |
| Passed                                | 59     | 18.84%         |

## C- Professional Information

### 1-Course teaching

| Topics actually taught   | No. of hours | Lecturer                              |
|--------------------------|--------------|---------------------------------------|
| Identification           | 10           | Prof. Dr. Ragab Elshawarby            |
| Signs of Death           | 10           | Prof. Dr. Hatem Bakery                |
| Asphyxia                 | 10           | Prof. Dr. Mohammed Abuo Salem         |
| Wounds                   | 10           | Prof. Dr. Nabila Mohmmoud Abdel Aleem |
| Cause of Death           | 10           | Prof. Dr. Nabila Mohmmoud Abdel Aleem |
| Veterinary Jurisprudence | 10           | Prof. Dr. Ragab Elshwarby             |

Topics taught as a percentage of the content specified:

> 90%       70-90%       < 70%

Reasons in detail for not teaching any topic:      Not applicable

### 2-Teaching and learning methods:

Lectures:

Practical training / laboratory:

Seminar / workshop:

Class activity:

3-Student assessment:

| Method of assessment           | Percentage of total             |
|--------------------------------|---------------------------------|
| Written examination            | <input type="text" value="50"/> |
| Oral examination               | <input type="text" value="15"/> |
| Practical / Laboratory work    | <input type="text" value="20"/> |
| Other assignments / class work | <input type="text" value="15"/> |
| <b>Total</b>                   | <b>100%</b>                     |

### Members of Examination Committee:

- 1- Prof. Dr. Hatem Hussien
- 2- Prof. Dr. Ragab El-shwarby
- 3- Prof.Dr. Mohmmmed Abuo-Salem
- 4- Prof.Dr.Nabila Mahmoud Abed –Elaliem
- 5- Prof. Dr. Hassan Elmansoury
- 6- Prof. Dr. Hala Aref

- 7- Prof. Dr. Mervat Ghoname
- 8- Prof. Dr. Khalid Elashrey
- 9- Dr. Mohammed Ezzat

**Role of external evaluator:** Not applied yet. It will be applied next year.

**4-Facilities and teaching materials:**

**Totally adequate**

**Adequate to some extent**

**Inadequate**

**List any inadequacies:**

- Some advanced devices such as Spectrophotometer, ELISA, Incubators, and HPLC.

**5-Administrative constraints**

No administrative constraints

**6-Student evaluation of the course:**

**Response of course team**

**List any criticism**

|   |   |
|---|---|
| <ul style="list-style-type: none"> <li>-There is shortage in scientific devices</li> <li>- Laboratory space is unsuitable.</li> <li>- The laboratory is uncomfortable.</li> </ul> | <ul style="list-style-type: none"> <li>- Sending a request for supplementation by some devices from the project of CIQAP.</li> <li>- Connecting of Data Show providing well presentations.</li> <li>- Connecting the internet.</li> </ul> |
|---|---|

**7-Comments from external evaluator(s):**

**Response of course team**

Not applied yet

**8-Course enhancement:**

**Progress on actions identified in the previous year's action plan:**

The quality of the course notes was improved. Teaching methods were enhanced by introduction of power point presentations, dividing students into small teaching groups, assignments and presentations

**9-Action plan for academic year 2010 – 2011**

| Actions required  | Completion date  | Person responsible       |
|---|------------------|--------------------------|
| Preparation of a teaching library in the department of Forensic Medicine. | September , 2010 | Prof. Dr. Nabila Mahmoud |

|   |                 |                              |
|---|-----------------|------------------------------|
| Connecting the internet in the Intelligent Technology Room. | December , 2010 | Prof. Dr. Ragab Elshawarby   |
| Purchasing of chemicals for analysis.                       | November , 2010 | Prof. Dr. Elham Elshewy      |
| Increasing the number of scientific journeys.               | July , 2011     | Prof. Dr. Mahmoud Abuo salem |

**Course coordinator: Prof. Dr. Nabila Mahmoud**
